Now you can preview any LOOP-LOC Luxury Liner with our Mirage Pool Visualizer. (See opposite page, and visit LoopLoc.com/Mirage.)

*Please note that while we try to accurately show our patterns in terms of color and selvage edges, photos are not always exact and may not print correctly. It is highly recommended that you ask your swimming pool professional to show you a sample case containing real swatches of these patterns before placing your order. Some patterns may show seams more than others. Ask your dealer for details.
